GET INVOLVED!

School clubs: get involved!

At King Edward VI High School we have a variety of extra-curricular school clubs on offer to enrich learning in school; from the arts to science; from music to cookery; from sports to academic – we've got it all!

Whatever your interest, now is the time to get involved in the school clubs on offer and explore those hidden talents or develop your skills beyond the classroom.

If you are interested in joining any of the clubs after-school, please speak to the staff member in charge first and make sure you get permission from parents/carers.

If you have any questions, speak to the group leader to find out more!

The School Library is open EVERY DAY during breaktime and lunchtime for pupils to complete homework, reading, borrowing books or using computers.

Fridays is YEAR 7 ONLY.

MONDAYS

Time	Name of club	Location	Staff leader	Open to	
12.50pm-1.30pm	Poi Club	Gym	Miss Picken & Mrs Moore	Years 7-10	Poi Spinning originated with the Maori people of New Zealand and has become popularised as Fire Poi in Western cultures. We use practice poi to learn the geometric moves and patterns for this visual art whilst providing music as a background. The club is informal, with opportunity for both tuition and freestyle. Let the stresses and strains melt away with a fun way to keep fit.
12.50pm-1.20pm	Humanities Club	F7	Miss Tickell	F7	Come and take part in some interesting and fun activities that will include weekend visits. This school year we will become weather watchers; research the history of Stafford Castle and discuss the conflict in Syria and its worldwide impact. We will also be creating quizzes and presentations
12.40pm-1.30pm	Chess Club	F9	Mr Champagne-Simmons	ALL YEARS	Learn to play chess. Earn an ELO rating. Enter house competitions and win house points.
12.40pm-1.25pm	The Long Jump Garden	Garden (on school field)	Mr Malone and Matt Long	ALL YEARS	Following a very successful first year of our growing garden we are very keen to see more students and staff gain a hands-on experience with food and nature. Matt is available to give advice

					and teach new skills twice a week (Thursday lunch, other day tbc), Mr Malone will be there most lunchtimes if you want to get involved. If you wish to give a little time, call down any lunchtime and help with everyday tasks, such as maintaining the crops in the polytunnel and in our 8 (soon to be 9) raised beds, or join in with whatever activities are happening on the day. There are many ideas to develop the garden and the grounds (and we're open to suggestions), if you're interested in particular projects let Matt or Mr Malone know - students last year helped with building projects, harvesting rainwater, collecting compostable material, planting trees, started a bottle greenhouse and many more...
